Mizner Medal: Urbanism
Project: The Villages of Schooner Bay – Great Abaco Island, Bahamas

Dear Mr. Iglesias,

On behalf of the Institute of Classical Architecture & Art – Florida, it is my pleasure to inform and congratulate your firm on its selection to receive the Addison Mizner Medal for your Villages of Schooner Bay project. The award is given in recognition for excellence in Classical and Traditional Architecture and related fields to ICAA members.

The Jury was composed of Prof. Thomas Gordon Smith, University of Notre Dame, educator, author and practitioner, Christine G.H. Franck, author, educator, practitioner & ICAA National Board Member and Semyon Mikhailovsky, Rector, St. Petersburg Academy of Fine Arts, Russia.

The selection of your project by our Jury maintains the distinction and prestige of the Addison Mizner Medal Awards. The cast bronze medal will be awarded on October 19th, 2013 at the Colony Hotel in Palm Beach, Florida. A private reception for the Medal Winners and Sponsors will begin at 4:30 pm with the Medal ceremony at 6:30 pm. As a medal winner you will receive one free ticket for the evening's events. Other staff from your office along their spouses or partners will be able to purchase additional tickets to the private reception. Specific information regarding arrangements will be forthcoming from the Mizner Medal Committee.

Please note that we are not making a public announcement of the medal winners until the event in October, so we would appreciate that you not release any firm announcement until that time.

Again, on behalf of ICAA-Florida, congratulations

Sincerely,

David B. Case, RA, ICAA
President, ICAA Florida Chapter
